

SOCIAL MEDIA PLANNING FOR YOUR BUSINESS

BRING YOUR BUSINESS INTO THE NEW MILLENNIUM!

DAY 1 I NEED A SOCIAL MEDIA STRATEGY

- Understand the role of social media on the web and determine a strategy for a media plan.

DAY 2 FACEBOOK - Understanding Pages / Creating, Maintaining, and Promoting Pages / Tracking Promotional Efforts / Applications for Your Business / Being Mobile with Facebook / Social Ads

DAY 3 TWITTER - Setting an account / Ways to use your account / Combining your account with Facebook. **LINKED IN** - LinkedIn is the largest professional network that now allows for company profiles as well as personal profiles. It is distinct in that it is 100% business focused. Learn to utilize this tool and make connections via company, industry, group and interest.

DAY 4 BLOGGING - Why Blog / What to Use / Integrating Blogging with Social Media.

WORDPRESS - WordPress is the leading web/blogging software in business. It can be utilized to set up blogs or traditional websites to post commentary, thoughts, ideas, photos, audio, video, etc. It is a free open source software, extremely flexible and has all the popular plug-ins.

DAY 5 YOUTUBE - Why Use YouTube / How To!

MY BUSINESS IMPLEMENTATION PLAN - Determine a schedule of social media activities as part of the media plan.
