## October is Manufacturing Awareness & Appreciation Month

Plan Your Manufacturing Day for Friday, October 2, 2015 on Your Campus

San Joaquin Valley  
 Manufacturing Cluster

Collaborative Partnerships for the  
 San Joaquin Valley

San Joaquin Valley  
 Regional Industry  
 Clusters Initiative

On behalf of the San Joaquin Valley Manufacturing Cluster and a growing list of partners, we would like to invite you to join us in our efforts to develop a vibrant economy and healthy communities in the San Joaquin Valley.

Central to our effort is building a strong manufacturing sector supported by a highly engaged industry cluster. In order to achieve this, we must help the public understand that 21st century manufacturing offers a wide range of quality jobs and outstanding careers; the jobs involve a wide range of skills and career pathways; and manufacturers today are committed to environmental protection and positive

impacts on the communities in which they reside. Manufacturing is considered a primary industry—it supports jobs in every other sector.

There are some simple ways you can help. On October 2, our entire nation is stepping up to celebrate Manufacturing Day to raise awareness and offer hands-on experience as plant tours will be offered across the country. Enclosed is a Proclamation we ask you to adopt to demonstrate your support for this event and ongoing commitment to fostering awareness, opportunity and support for our manufacturing companies.

Alongside these efforts, we have partnered with educators at every level to raise awareness and prepare our children's success by offering the project-based learning, technical skills and personal development they will need to thrive in the evolving workplace.

We appreciate all you do to guide our community. We welcome your support and look forward to your involvement in activities that will bring a new level of shared prosperity to the communities of the San Joaquin Valley.

If you have an interest in learning more about:

\* San Joaquin Valley Manufacturing Cluster Initiative, visit <http://sjvricti.org/manufacturing/>

\* Manufacturing Day, visit [www.mfgday.com](http://www.mfgday.com)

If you have events or news that you would like to share with colleagues in the region, please let us know!

Best,

Karri Hammerstrom, M.P.A., Interim Chair,  
Central/Mother Lode Region Consortium
