Key Talent Road Show

The Road Show gathers all of the region's key talent (regional chair, deputy sector navigators, CEO, SB1070 and Prop 39 project directors) together to visit one of our region's colleges.

The campus visits will include:

- A tour of the college, including classrooms and labs
- Lunch with faculty and administrators
- Key talent presentations

- Q & A session
- An opportunity to meet together in small, industry focused groups

The Road Show objectives are as follows:

1. Strengthen communication between the CRC, Key Talent and CRC colleges
2. Develop a better understanding of the programs at CRC colleges
3. Identify ways to better support CRC colleges as it relates to CRC's CTE programs and Doing What Matters for Jobs in the Economy/CCCCO

The first Road Show will be held on 12/1/15 at Bakersfield College, and another is tentatively scheduled for 1/12/16 at San Joaquin Delta College.

CCCAOE Job Opportunity

The CCCAOE is currently reviewing applications for the position of Executive Director.

The Executive Director will be the guiding agent and voice of the association's vision and mission statements, and its strategic plan. The position also serves as the key statewide support of workforce development for leaders in the California Community College system.

The deadline to submit applications is December 18, 2015. Interested parties can find more information [here](#).

Funding Opportunity: Public Benefit Grants Program: Alternative Fuel Infrastructure

The San Joaquin Valley Air Pollution Control District is pleased to announce the release of its Request for Proposal to accept proposed projects for alternative fuel infrastructure under its Public Benefit Grants Program.

There are two eligible focus areas under the solicitation; new

infrastructure and expansion to existing infrastructure. The RFP closes on 2/18/16.

The Alternative Fuel Infrastructure RFP is available on the District's website at <http://valleyair.org/grants/publicbenefit.htm>.

Board of Governors of the California Community Colleges Unanimously Approves Strong Workforce Task Force Recommendations

On November 16, 2015 the Board of Governors of the California Community Colleges approved the 25 recommendations put forth by the Task Force on Workforce, Job Creation and a Strong Economy to strengthen Workforce education throughout the 113-college system. The recommendations are to help ensure a workforce with relevant skills and quality credentials that meet employer needs.

The following is an email distributed by the CCCCCO expressing appreciation for letters of support and championship:

We are delighted by the championship of the Board of Governors for a strong workforce. The groundwork laid by the [Student Success Task Force](#) and in [Doing What MATTERS for Jobs and the Economy](#) has brought our system into productive dialogue with stakeholders who depend on our community colleges for a skilled workforce. These 25 recommendations will shape the design of our policies over the next few years.

We would like to express appreciation to the following organizations for their letters of support and championship:

- [California Economic Summit – Workforce and Advanced Manufacturing Action Teams](#)
- [Central/Mother Lode Regional Consortium \(CRC\)](#)
- [CompTIA and TechNet](#)
- [Fresno Business Council](#)
- [Los Angeles Area Chamber of Commerce](#)

WIOA California State Plan Road Shows

With WIOA, the California State Workforce Plan is requiring LWIBS to plan regionally along Regional Planning Units...and to do so with community colleges to plan sector pathways that lead to jobs.

Six Road Shows are being organized in December 2015 to gather public feedback on the design of the CA State Workforce Plan draft. The dates are December 4, 7, 8, 14, 15, and 18.

Please click [here](#) for more information.

CTE Workshops

December 4, 2015 and February 1, 2016

3CSN and the Career Ladders Project invite you to join them to create effective models to embed remediation in CTE pathways that improve student outcomes and job placement. In this half-day workshop, participants will:

- Gain an understanding of 3CSN and the CTE Community of Practice
- Learn classroom strategies and tools to increase student success in CTE programs of study
- Learn strategies and tools to initiate change on your campus
- Connect with others to form a Community of Practice for networking and support

Workshops will be in held on Friday, December 4th in Berkeley and Monday, February 1st in Santa Ana.
