Health Workforce Initiative

The **Health Care Sector** is an initiative of the California Community Colleges' Doing What MATTERS for Jobs and the Economy framework which invests in California's economic growth and global competitiveness through industry-specific partnerships, education, training and services that contribute to a highly skilled and productive workforce. Visit doingwhatmatters.cccco.edu to learn more.

The California Community Colleges is the largest system of higher education in the nation. It is composed of 72 districts and 114 colleges serving 2.1 million students per year. Community colleges supply workforce training, basic skills courses in English and math, and prepare students for transfer to four-year colleges and universities. The Chancellor's Office provides leadership, advocacy and support under the direction of the Board of Governors of the California Community Colleges
