FROM: Sheneui Weber, Vice Chancellor
Workforce and Economic Development Division

CC: Sandra Sanchez, Assistant Vice Chancellor, WEDD
Ioanna Iatridis, Dean of SWP and K12 SWP, WEDD
Peter Callas, Division Director, California Department of Education
CCCCO Staff

RE: K12 Strong Workforce Program – Corrections to Reporting Timelines

This memorandum is to correct the reporting timelines provided in the guidance memo 21-011 released previously on October 11, 2021. Legislation requires annual data reports to Cal-PASS Plus to be submitted by November 1st annually.

The K12 Strong Workforce Program Expenditures and Progress reporting in the NOVA system will be changing from a quarterly reporting schedule, to a bi-annual reporting schedule. To ensure that the K12 SWP legislative reporting requirements are met, all grant recipients, both lead and partnering LEAs, are required to input Expenditure and Progress reporting into the NOVA system:
<https://nova.cccco.edu/login>.

In addition, Annual Data Reporting will be due to Cal-PASS Plus on an annual basis: *section shall be reported by the grant recipient to the State Department of Education and to the grant recipient's K-14 Technical Assistance Provider by November 1 immediately following the fiscal year for which the data is being reported. The K-14 Technical Assistance Provider shall annually notify the K-12 Selection Committee in each region of any grant recipient that fails to provide the required outcome data. The K-12 Selection Committee, in consultation with the consortium, may terminate or rescind contracts and grants from grantees that fail to provide the required outcome-based data pursuant to this paragraph.*

The following tables are an addendum to the Reporting Schedules that were previously posted in the K12 Strong Workforce Program RFAs (Request for Applications):

K12 Strong Workforce Program Updated Reporting Deadlines

October 11, 2021

Round One (Performance Period July 2019 – December 2021) – The complete reporting schedules for Round One (1) recipients are as follows:
