Do you want to go to a fun social event during CCCAOE's Spring 2023 Conference? The conference planning committee has a great option for you, but we need your help!

Imagine gathering in a big room to watch the Sacramento RiverCats game on Thursday evening! Food and Beverage, warm space inside with tables, chairs, food, and big screens. Plus outdoor seating for those who really focus on the game.

Tickets would be purchased through a separate registration - Credit Card only, transferable to another attendee if something comes up, but no refunds.

Transportation to the venue (1.3 miles from the Hyatt) is up to each ticket holder. Carpool with those who drive to the conference, take an UBER/Lyft, scooter, walk or ride the bus. Details to follow on options after ticket purchase.

## There are 3 options for this fun event:
