## WORK-BASED LEARNING TRAINING

This hybrid training gives instructors the foundation for creating robust work-based learning (WBL) opportunities in CTE programs and provides mentorship during implementation. Outcomes include:

- Define WBL and explore best practices
- Align WBL activities to course and program objectives and student interests
- Implement three WBL activities with students and industry
- Reflect on experiences and develop an ongoing WBL plan

Valued at \$2,500 per Participant

1

### WBL FOR CTE PROGRAMS (SUMMER & FALL 2023)

June 5 & 6 in Lemoore, CA | 9:00 AM - 4:00 PM

Monthly Fall Sessions Live via Zoom | [Registration Link](#)

## CTE INSTRUCTOR LEVEL 2 TRAINING

This training will expand on foundational topics from the CTE Instructor Level One Training, help instructors engage students, and improve instructional techniques through a one-on-one coaching approach. Training consists of five zoom calls to expand upon level one topics and real-time support.

Valued at \$500 per Participant

1
