## Regional Success Stories

Please visit our CVML website to share your college and student success stories:

[CVML Regional Success Stories Link](#)

The form was created to mirror the fields in NOVA and also link the metrics that potentially match. As a region, we can then highlight these stories on social media and share with the CCCCCO.

## Apprenticeship Information

CVML Apprenticeship Network

Bringing Education & Industry Together

This webpage serves as a resource for apprenticeship information to connect with opportunities to gain and access tools to support your apprenticeship programs. If you have helpful information to share, please email the link to me, I will be happy to update this page.

## CVML Regional College SWP Budgets

Regional and College Budgets are available to review.

The CVML Regional Budget password is: **CVMLSWP**

College Passwords are set to your college initials + SWP (e.g. BCSWP) if you want to change your college password, please email me to let me know.

## Annual Planning Retreat

The 2025 Annual Planning Retreat June 9th-11th, 2025 will be held at the [Tenaya Lodge](#)  
Registration information will be coming soon!

## Program Review PowerPoint

Program Review Point available on the CVML website to try to assist with new program submission guidelines

If you have any questions or need further information, feel free to reach out.

Thank you for your time and continued support for our CVML Region!
